

Section I. Product Identification and Uses

**HMIS (HFRP)**  
**Health Hazard** 1  
**Fire Hazard** 0  
**Reactivity** 1  
**Personal Protection** r

|                            |  |            |                                    |
|----------------------------|--|------------|------------------------------------|
| <b>Common / Trade name</b> | POT N PAN SUDS                           | <b>TDG</b> | Not controlled under TDG (Canada). |
| <b>WHMIS</b>               | D2B                                      | <b>PIN</b> | Not applicable.                    |
| <b>Code</b>                | 0614                                     | <b>PG</b>  | Not applicable.                    |
| <b>Material uses</b>       | Industrial applications: Dish detergent. |            |                                    |

Section II. Hazardous Ingredients

| Name                             | CAS #      | % by weight | TLV/PEL                         | LC50/LD50   |
|----------------------------------|------------|-------------|---------------------------------|---|
| Sodium carbonate                 | 497-19-8   | 10 - 30     | Not available.                  | ORAL (LD50): Acute: 2390 mg/kg [Rat].<br>DERMAL (LD50): Acute: > 2000 mg/kg [Rabbit].   |
| Sodium dodecylbenzene sulfonate. | 25155-30-0 | 7 - 13      | Not available.                  | Acute toxicity: ORAL (LD50): 1080 mg/kg [Rat];<br>DERMAL (LD50): > 2000 mg/kg [Rabbit]. |
| Sodium silicate                  | 1344-09-8  | 7 - 13      | Not available.                  | ORAL (LD50): Acute: 5800 mg/kg [Rat].   |
| DIethanolamine                   | 111-42-2   | > 0.1%      | TWA (8 hours): 1 mg/m3 (ACGIH). | ORAL (LD50): Acute: 710 mg/kg [Rat].  |

Section III. First Aid Measures

**Eye contact** IMMEDIATELY flush eyes with running water for at least 15 minutes, keeping eyelids open. If irritation persists, seek medical attention.

**Skin contact** Gently and thoroughly wash the contaminated skin with running water and non-abrasive soap. If irritation persists, seek medical attention.

**Inhalation** Allow to rest in a well ventilated area.

**Ingestion** DO NOT induce vomiting. Have conscious person drink several glasses of water. Seek immediate medical attention. NEVER give an unconscious person anything to ingest.

Section IV. Physical Data

|                                      |   |                        |                 |
|--------------------------------------|---|------------------------|-----------------|
| <b>Physical state and appearance</b> | Solid.  | <b>Colour</b>          | Pink            |
| <b>pH (1% soln/water)</b>            | 10.5 to 11 [Basic.]   | <b>Odour</b>           | Citrus.         |
| <b>pH (concentrate)</b>              | Not applicable.   | <b>Volatility</b>      | Not available.  |
| <b>Boiling point</b>                 | Not available.  | <b>Vapour density</b>  | Not available.  |
| <b>Specific gravity</b>              | Weighted average: 1.4 (Water = 1)   | <b>Vapour pressure</b> | Not applicable. |
| <b>Solubility</b>                    | Easily soluble in cold water, hot water, methanol. Insoluble in diethyl ether, n-octanol. |                        |                 |

Section V. Fire and Explosion Data

**The product is** Non-flammable.

**Auto-ignition temperature** Not applicable.

**Flash points** Not applicable.

**Degradation products** Carbon oxides (CO, CO<sub>2</sub>), sulfur oxides (SO<sub>2</sub>, SO<sub>3</sub>...) and nitrogen oxides (NO, NO<sub>2</sub>...).

**Extinguishing media** Use DRY chemicals, CO<sub>2</sub>, water spray or foam.

Section VI. Reactivity data

**Stability** The product is stable.

**Decomp. products** See fire degradation products.

**Reactivity** Reactive with oxidizing materials, reducing materials and acids.

**Section VII. Toxicological properties**

**Route of entry** Eye contact. Ingestion.

**Toxicity for animals** Acute oral toxicity (LD50): > 2500 mg/kg [Rat].

**Acute effects** This product may irritate eyes upon contact. HARMFUL IF SWALLOWED.

**Chronic effects** CARCINOGENIC EFFECTS: contains Diethanolamine, suspected human carcinogen (ACGIH A2). MUTAGENIC EFFECTS: Not available. TERATOGENIC EFFECTS: Not available. DEVELOPMENTAL TOXICITY: Not available. Repeated or prolonged exposure to the substance can produce target organs damage. Repeated exposure of the eyes to a low level of dust can produce eye irritation. Repeated inhalation of dust can produce varying degree of respiratory irritation.

---

**Section VIII. Preventive measure**

**Waste disposal** Dispose of material according to regional, provincial and federal regulations. Consult your local or regional authorities.

**Storage** Store in a dry, cool and well ventilated area. Keep away from incompatibles.

**Precautions** Keep locked up. Keep container dry. DO NOT ingest. Do not breath dusts. Avoid contact with eyes and skin. Wear suitable protective clothing. If ingested, seek medical advice immediately and show the container or the label. Keep out of reach of children.

**Spill and leak** Put the spilled solid in a convenient waste disposal container. Dilute with water and mop up, or absorb with an inert DRY material.

---

**Section IX. Personal protective equipment**

**Gloves** Gloves.

**Respiratory** Wear appropriate respirator when ventilation is inadequate.

**Eyes** Splash goggles.

**Other** Full suit, apron, face shield, boots: are recommended under exceptional circumstances such as fire, spill, or for prolonged contact with bulk quantities.

**Eng. controls** Provide exhaust ventilation or other engineering controls to keep the airborne concentrations of vapors below their respective threshold limit value. Ensure that eyewash stations and safety showers are proximal to the work-station location.

---

**Section X. Preparation and other Information**

Validated by the Regulatory Affairs Department on 19 Apr. 2016

**EMERGENCY: CANUTEC 613-996-6666**

To the best of our knowledge, the information contained herein is accurate. However, neither the above named supplier nor any of its subsidiaries assumes any liability whatsoever for the accuracy of completeness of the information contained herein. Final determination of suitability of any material is the sole responsibility of the user. All materials may present unknown hazards and should be used with caution. Although certain hazards are described herein, we cannot guarantee that these are the only hazards that exist.
